**SUPPLEMENT TO
REPORT NO.**

1. Three cranes for lifting special concrete blocks have been installed on the former Casino Boulevard, between the Casino and the former Hotel Carol. A large number of concrete blocks have been laid out to dry in this area.
2. Pedestrian traffic is forbidden on this portion of the Boulevard.
3. It is believed that the concrete blocks will be used to complete the break-water for the Danube-Black Sea Canal.
4. A sketch showing the locations of these cranes is attached hereto.
